

University of Kentucky Cooperative Extension Mentoring Program

The University of Kentucky Cooperative Extension Service is committed to providing new agents with the resources they need to be successful in their role. A key part of any new hire’s success is a vibrant mentoring program. Below you will find a list of topics, activities, and issues we want you to complete with your assigned mentor. As a result, we hope that you are better equipped to be a County Extension Agent and enjoy your time with the University of Kentucky Cooperative Extension Service.

As part of our mentorship program, you are required to meet with your mentor at least six (6) times during the course of your first year. Three (3) of these meetings must occur in-person while the three (3) other meetings may occur via Lync (or similar technology) or phone. Each session must be documented appropriately on this sheet. Mentors can come in all shapes, sizes and locations. In some cases, your District Director or assigned Mentor may recommend you meet with another agent, specialist or staff member on certain topics as they may provide you with the best information or insight into a certain topic. These “subject matter experts” or SMEs can function as mentors just as effectively as your assigned Mentor. You do not need to cover all of the sections in this report each time you meet, however, the expectation is that each section will be covered at least once by the completion of your first year. Upon completion of the program, each mentor and mentee will sign off on the completed report and send to their respective District Director for review and approval. A final copy with all sections completed and all signatures will then be sent to the UK CES Personnel office within one (1) year of the mentee’s hire. All mentees should maintain a copy for their personal files as completion of the Mentorship program is a requirement for advancement to Level II of the Career Ladder. Finally, each mentor and mentee will complete an electronic Mentor Program Evaluation form at the end of the one (1) year period.
